

## Mandate

Monies raised will help to ensure that Music Niagara continues to grow and provide the highest quality of music and artists to our community.

Our Continuous Enhancement of the Artistic Program:

- Makes it possible to present international artists from France, Holland, and the Czech Republic
- Allows Atis Bankas to program 4 rising young musicians and recent winners of the Canada Council Musical Instrument Bank Competition, and featuring two rare Stradivarius violins.
- Helps cover the enhanced Production Costs associated with 'set up and tear down' of great music making in all our Venues - New & Old
- Did you know that Music Niagara tunes at least one piano sometimes two or three times a week and the minimum cost for a piano to be tuned is \$125.00
